Your little guide to health cover with big benefits.
Hello.

A warm welcome to your health cover from Westfield Health. We’ve been dedicated to supporting the health of the nation since 1919.

A little bit about us.

We are Westfield Health. From humble beginnings, we’ve evolved to become a leading health and wellbeing provider.

We encourage positive changes in the wellbeing of our customers and the wider population across the UK. Together, we can help everyone to live healthier lives through better choices, ongoing support and a more proactive approach to healthcare.

As a not for profit company, we reinvest our surplus in products and services that directly benefit our customers. Through our charitable donations, we support the NHS and medically related charities to help our customers and the community to lead healthier lives.

Getting started.

Take a look through your handy little guide, which provides everything you need to help you get the most from your cover. If you have any questions at all, just give our friendly UK based Customer Care Team a call on 0114 250 2000.

Don’t forget to read the full Terms and Conditions at the back of this guide.
Introducing your cover.

Congratulations. Like thousands of others, you’re about to discover why so many of our customers are happy with their cover.

Taking better care of you.
No one knows what’s around the corner where our health is concerned. It’s reassuring to know that, for a small monthly amount, you have health cover for you and your family.

Money back and cash payouts.
We aim to ensure that as many of your health costs are covered as possible. From dental appointments to optical check ups, therapy treatments and more, you can rest assured that your cover will help with your bills.

You can claim back a percentage reimbursement and, in some cases, 100% of the money you spend straight away, up to the maximum allowance provided by your cover. You can also receive fixed cash payouts for hospital stays and day surgery. And you will also receive a sum of money if you have a baby or adopt a child.

Diagnosis and peace of mind.
We want you to stay at your fit and healthy best and, to help you do that, we’ve included all kinds of additional benefits. As well as providing cash towards diagnostic consultations, your cover includes a 24 hour DoctorLine™ service, because we know that illness doesn’t just strike during surgery hours.

Caring for your loved ones.
We’re here to help people be healthy and independent for as long as possible, so it’s reassuring to know that our eldercare advice and support services can help you make informed choices about putting care in place for a loved one or yourself. There’s also a Care After Hospital benefit, giving you the reassurance of up to 18 hours of home care following an overnight stay in hospital.

Health and wellbeing.
Your cover has been designed to help keep you in the best possible shape, physically and mentally. So our 24 Hour Advice and Information Line is a reassuring aspect of your cover as it gives you help, support and advice by phone – day or night. Your cover also includes a Health Club Concession providing discounted membership at local gyms, so you can actively start improving your health right away.

Personal Accident cover too.
You have cover in place to help you and your family if the worst should happen. Levels 3, 4 and 5 provide cash payouts in the event of death or permanent disability as a result of an accident.

“I’ve been through a lot medically, but having my Westfield cover to help has been fantastic. From getting quick access to consultations to receiving payment after my operation, the cover played a big part in my treatment and rehabilitation. From run of the mill things like eye checks and visits to the dentist, to more serious issues, I have always had excellent service.”

Working harder for you.

As you start to use your health cover, the advantages really add up. It works harder for you by providing excellent cash payouts and money back for treatment – and this is just part of your cover. It also provides access to valuable services to help keep you at your fit and healthy best.

DoctorLine™.

From anywhere in the world, 24 hours a day, you can pick up the phone and arrange a call back from a practising UK GP to discuss any health issues and receive advice or a diagnosis. You can even choose to have a webcam consultation so you can see and speak to a doctor while you’re at home or at work. It’s the closest thing to a surgery appointment, but without the wait. Over 70% of DoctorLine™ consultations result in the patient being recommended a course of action, without the need for referral to another medical professional. Reassuring, isn’t it?

If the doctor believes that your treatment requires medication, they can offer you a private prescription. Your medicine will be sent directly to you and is usually dispensed the next working day. Our private prescription service is ideal if you are unable to get an appointment with your regular GP or are away from home and you require prescribed medication.

Prescriptions can be raised for one-off occasions such as prescription-only painkillers/inflammatory drugs, digestive medication, or NHS prescription medication where the patient is away from home and has forgotten or has insufficient prescription medication, antibiotics or hormonal medication.

Telephone Care Advisory Services.

It’s often emotional and unsettling when making the decision to find care for elderly relatives or even yourself. You need to feel confident that they’re comfortable and well cared for. Our service provides expert advice and support to help you resolve your care issues.

Our care advisors will listen carefully to your needs and wishes and discuss your situation in detail. They’ll guide and support you through your next steps, providing you with the information and advice to help you make the best possible care decisions.

Helping your money go further.

As a thank you for choosing Westfield Health, we are giving you access to our exclusive rewards website. It provides access to special offers on all your favourite goods and services from over 1000 leading online and high street retailers. Pick up exclusive discounts by purchasing reloadable cards for high street stores and supermarkets or receive Cashback from participating retailers by connecting to them online via the Westfield Rewards website.

Even better, all discounts are on top of sale discounts or online promotions and you can even save on utility services such as gas or electricity too.

Visit www.westfieldrewards.co.uk to register.

Giving something back with Westfield Rewards.

“Being a Westfield customer not only means I can save money and claim back all my dental and optical bills but I am now able to shop without feeling too guilty. I registered with Westfield Rewards and in the past month I have saved money by using my reloadable cards. I am currently in the process of buying my first house and through Westfield Rewards I can save money on the cost of my new kitchen.”

Customer testimonial
Your cover: a few useful pointers.

Here’s a little helpful guidance to help you make the most of your cover. Please feel free to contact us if there’s anything else you need to know.

You have 13 weeks to make a claim.
Please submit your claim within 13 weeks. Those 13 weeks start from the date you make each payment for treatment, goods or services, the date you were discharged as an in-patient, or the date you attended for day surgery. In the case of the Maternity/Paternity/Adoption Benefit, it is 13 weeks from the date of birth or adoption placement.

Full details can be found in the Terms and Conditions at the back of this guide.

Making the most of your benefit periods.
Every benefit has its own benefit period.
The majority of your money back benefit allowances have a one year benefit period. Each benefit period will be activated when you submit your first claim, and will start from the date you paid your practitioner.

For Hospital Benefit your benefit period begins on the first day or night that we pay benefit for.

For Care After Hospital your benefit period begins on the first day we pay benefit for.

For Maternity/Paternity/Adoption, your benefit period begins on the date of birth or the date the child is placed with you for adoption.

You can keep sending in claims for a benefit until you reach your maximum allowance, or your benefit period expires. When your benefit period expires, the full allowance will renew, but your next benefit period will not be activated until you submit your next claim.

Example:
If the first claim you make on your Dental benefit has a receipt date of the 6th April 2020 your Dental benefit period activates on this date, giving you one year to use your Dental allowance, before it expires on the 5th April 2021. Once your benefit period expires your next Dental benefit period will not be activated until you submit your next Dental receipt.

Please refer to our Terms and Conditions for full details.

Make sure you use a qualified practitioner.
One simple rule. Your practitioner must be registered with, or a member of an approved professional organisation.

Just click on the ‘Find an approved practitioner’ link on the My Westfield area of our website or refer to the Definitions section of this guide to locate the required qualifications for each practitioner.

Let us pay you back even faster.
Submit your optical, dental, chiropody or therapy treatments claims online by uploading your receipt and we can get your money back to you even faster. We process online claims within two working days and then arrange payment directly into your bank or building society account. So it’s much quicker and more convenient than completing a paper claim form and posting it with your receipt (and saves on postage).

Visit westfieldhealth.com, register or log in to My Westfield, select the ‘Claim online’ link in the left hand menu and follow the simple instructions on screen.

If you’re claiming for any other benefit or if your claim is for your dependent child (you can claim online for their optical and dental claims), you’ll still need to complete a paper claim form and post it to us with your original receipt. At the moment, we’re unable to process these claims online – but we’re working on it!

Did you know you’re covered worldwide?
You can even use your cover when abroad. For example, if you’re overseas and you need to visit the dentist, you can still claim for the treatment you pay for. We ask that all relevant documentation relating to your claim is in English.

Get your claims paid directly into your bank account.
Direct Credit is the easiest and fastest way to reclaim your payments. Simply contact us on 0114 250 2000 to set this up.
Cover that puts you in control.

Your cover puts you in control by enabling you to budget for your healthcare as never before. And claiming is easy too. Some people say you only find out how good our cover is when you make a claim, which is why we make it so simple.

Claim money back in three easy steps:

1. Receive and pay for your healthcare treatment as normal
2. Complete a claim form and send it to us, or submit your claim online for some benefits, together with your receipt, within 13 weeks of the date of each payment
3. Receive payment directly into your bank or building society account

Making life simple.

For money back and cash payout benefits, we aim to process 100% of correctly presented claims within four working days (or even quicker when claiming online) and pay the money directly into your bank or building society account. You will then receive payment confirmation showing what you’ve claimed and any remaining benefit balance.

Once you’ve made your claim, you may need more claim forms ready for your next healthcare treatment. You can phone, come in and see us or simply visit My Westfield, our dedicated online customer area.

Personal Accident claims.

We understand that it is likely to be in difficult circumstances that you or a family member will be considering making a Personal Accident claim. You or the person acting on your behalf should contact us on 0114 250 2000. We will send out a Personal Accident claim form, which should be completed and returned to us. We will then start to assess your claim and contact you to discuss it.
We’re here for you.

If there’s anything you need to know about your health cover, your account or your claim, just get in touch. With our help, it’s easy to start accessing the treatment you need to keep you at your healthy best.

How do I access Care After Hospital?
Care After Hospital is not a cash benefit; you must follow these simple steps so that the care advisory team can find the Home Care for you.

Step 1
Ring the care advisory helpline. You’ll need your Westfield Health policy number. The care advisory team will explain how the service works and they’ll email you a claim form for the Hospital to complete.

Step 2
Before they can arrange a Home Care package the care advisory team will discuss your, or (with their permission) your partner’s or your parent’s needs with you. Our Home Care package is not intended to replace any discharge arrangements such as Intermediate Care made by the Hospital, NHS community team, or Local Authority, but to complement them. Our care advisory team will provide advice about your statutory entitlements and carry out rapid research into appropriate care providers, and provide a written report for you to make the final choice.

Step 3
The care provider that you select will visit you, or your partner or parent, to agree a package of care with you and carry out an assessment.

Step 4
You will advise the care advisory team of the agreed Home Care to be delivered, the commencement date, and home visit timings. The care advisory team will confirm this with the care provider.

Step 5
The care advisory team will pay the care provider for the first 18 hours of Home Care, at the money back rate that applies to your level of cover. If your cover level means you are liable for part of the cost, then the care provider will invoice you direct for this part. Let the care advisory team know if you, or your partner or parent, need any further help.

### When will my personal accident cover start?

Your personal accident cover always starts on the date we receive the application for your cover. This is regardless of your plan’s registration date.

We won’t pay any benefit if the time of the accident was before we received your application for a policy.

If your plan level changes your level of personal accident cover changes on the date that we receive the application, not on the registration date for your new plan level.

### How do I make a claim?

We understand that it’s likely to be a difficult time if you’ve had an accident. You, or someone acting on your behalf, should contact the Westfield Health Customer Care Team within 60 days or as soon as reasonably possible after the accident. We’ll send out a personal accident claim form for you to fill in and return to us. We’ll then contact you to explain what happens next.

If there’s any delay in you notifying a claim to us it could be detrimental to us investigating and assessing the claim; this may impact the claim being paid at all, or the amount of the claim that’s paid.

Sometimes it may be necessary to wait up to 24 months to establish the full extent of your injury and whether a permanent total disablement or permanent disability claim is payable. We cannot carry out a medical assessment while you are still having treatment for that injury.

2. Pre-existing medical conditions
This plan is only intended to cover new medical conditions.
You, your partner and your dependent children will not be entitled to claim or use the following benefits and services for any pre-existing medical conditions:

3. The contract between Westfield Health and you
This health cash plan policy operates on the basis that each calendar month a new contract is formed between Westfield Health and you. We do not issue monthly reminder notices. Your policy will also automatically renew each month providing you pay your premium and abide by the terms and conditions of the plan, unless we receive notice from you that you do not wish to continue your cover, or we give notice that we are not willing to accept your monthly renewal.

Your Cancellation Rights
You have the right to cancel your policy.
If we receive notice that you wish to cancel before the 15th day in any month we will cancel your monthly contract for that month and refund the premium paid by you for that month. If we receive notice of cancellation on or after the 15th day of the month, then we will not pay a refund premium for that month but any further premiums will not be payable.
Any premium that you have paid in advance or that is due following cancellation will be refunded to you. We will not pay a claim for any benefit beyond the date that you have paid up to.
To cancel your policy please contact our Customer Care Team on 0114 250 2000, email us or write to our Customer Care Team, at our address, detailed on the back cover.

Re-applying for cover after you have cancelled
If you cancel your policy and then decide to re-apply for cover with us you will be subject to the qualifying periods for a new applicant to the plan you apply for. You will also need to sign a new declaration on the application form. Previous claims may be taken into account when we assess your entitlement to benefit on your new policy.

Terminating your cover
We reserve the right to cancel your cover at any time, (with retrospective effect where appropriate), if:
• Under the terms and conditions of the plan you are not eligible for cover
• You provided false information and/or failed to disclose all the relevant information when you applied to cover or you applied to increase your plan level, or submitted a claim.
• You, or anyone covered on your policy, fails to comply with our request for information relating to a claim or an application for cover.
• You submit a claim that is fraudulent or that we reasonably believe to be intentionally false and/or misleading and/or exaggerated
• You (or anyone covered on your policy) act in a threatening or abusive manner, e.g. violent or aggressive behaviour; verbal abuse; sexual or racial harassment, towards a member of your organisation, or one of our suppliers.
• You fail to abide by any of the terms and conditions of the plan.

Should we cancel your cover you will no longer have access to make any further claim on the plan. In addition, we may also seek to recover any moneys from you that have been paid to you that were not due under the Terms and Conditions of your plan if premiums have been paid in advance we may refund premiums paid beyond the relevant date on which we had the benefit of cover. However, we retain the right to pay out any premium to the extent that you have paid under the terms of the policy.

We will notify you in writing our reason for cancelling your cover and you have the right to appeal to us through our published Complaints Procedure, which is available on request.

If your policy is terminated we will not accept you for cover with us again on any plan.

4. Premiums

Premiums are payable by monthly Direct Debit to Westfield Health. When you take out a policy, or upgrade your cover, we will notify you when your first payment will be collected. To bring your premiums up to date, it may be necessary to take payment for 2 or more months’ premiums at the first collection.

We will not process any claims until we have received a payment that covers the date for which you are claiming. For more information please refer to Section 7, How to Claim.

Your policy will lapse if you do not keep your premiums up to date. If you owe more than one month’s premium on levels 3, 4 or 5 or three month’s premiums on levels 1 or 2 you will not be entitled to remain in the plan.

You will not be entitled to use any of the services included in the plan and we will not pay your claim if premiums have not been paid to cover the date(s) for which you are claiming. If when we receive your claim your premiums are not up to date for any reason, we will not process your claim at that time. If you remain in the plan, claims will be held until you have made a payment that covers the date(s) for which you are claiming. If you do not continue to pay your premiums all benefit under the plan will cease on the date that you have paid up to.

We will not accept payment for more than 13 months cover in advance.

Premiums include Insurance Premium Tax at the current rate and are subject to review in respect of any changes in taxation.

Benefit periods

When a benefit included in the plan is underwritten by another insurer, owing to agreements with insurers allowing us to hold the premiums you pay in respect of these elements of the product as agent of the insurer and therefore payment to us means the same as if you have paid that insurer direct. This does not affect elements that we underwrite.

5. Qualifying Periods

New policyholders or those who transfer to a higher level of cover will have to wait the relevant qualifying period before they are eligible for most benefits. The qualifying period starts from your date of registration, at that plan level. Following your date of registration you must renew your monthly contract with us for the required minimum number of consecutive months, detailed below, to qualify for each benefit.

Available from the date of registration:
24 Hour Advice and Information Line and online Health e-Hub; DoctorLine™ Health Club Concession; Personal Accident cover; Telephone Case Advisory Service; Westfield Rewards.

10 months qualifying period – all plan levels:
Maturity/Paternity/Adoption benefit
3 months qualifying period – levels 1 and 2
All other benefits
6 months qualifying period – levels 3, 4 and 5
All other benefits

Changes to your level of cover

If you transfer to a higher plan level qualifying periods for benefit at the higher level are as shown above. During the qualifying period we will pay benefit at the lower level, if you have benefit available.

If you transfer to a lower level of cover we will pay benefit at the lower level from the registration date of the transfer, provided you had already completed the required qualifying period during the time you were at the higher plan level and you have benefit available. Benefit periods and benefits paid at the higher plan level will be taken into account when assessing entitlement to benefit at the lower level.

Former Policyholders

In addition to the above, if you have been a former policyholder with Westfield Health and your policy has lapsed, we will take into account claims paid under your previous cover when assessing entitlement to benefit on your new policy.

The date that each benefit will be available to claim will depend upon:

a) the Good4you Plan level that you are applying for
b) the plan and plan level that you were previously covered on
c) claims previously paid and the benefit periods relating to those claims

Transferring Plans

For policyholders who transfer to the Good4you Plan from another Westfield Health plan previous claims may be taken into account when assessing your entitlement to benefit.

Our Customer Care Team can explain the qualifying periods and benefit terms applicable to you, following a lapse in your cover or transfer from another Westfield Health plan.

If you are claiming from another insurer, we will pay our proportionate share of the costs, subject to benefit being available and the terms and conditions of your plan.

How to claim and prevent fraud
We check all claims. We may need to ask you for more proof before we can process a claim; you must provide this at your own expense. We may also contact the practitioner for verification.

If the claim is for your dependent we may ask you to provide proof of your relationship with them. While we’re waiting for information we won’t pay any claims on your policy. We do these routine checks to make sure we’re paying claims correctly; it doesn’t mean that we think you’re being dishonest.

It’s your responsibility to make sure that all the information you give us with a claim is true and correct. We can suspend or decline payment in respect of suspected fraudulent claims.

Pre-existing medical conditions are not covered on the plan for Hospital Benefit. When a claim is submitted we will check if there is a pre-existing medical condition. We will seek to recover any monies from you that have been paid to you that you were not due under the terms and conditions of the plan.

We will terminate your policy and we may seek to recover any costs that you have incurred. If you are providing information about another person you should ensure that you have their consent to do so.

If you submit a claim that is false we will terminate your policy and your benefits as a policyholder will end immediately. We will not refund any premiums for the plan and always take legal action for fraudulent claims.

When you submit a receipt for money that you have paid, we will use the currency exchange rate applicable to your bank on the date we process it.
