

Your little guide to health cover with big benefits

Good4you Health Cash Plan

Hello

A warm welcome to your health cover from Westfield Health. We've been dedicated to making a healthy difference to the quality of life of our customers and the communities in which they live and work.

A little bit about us

We are Westfield Health. From humble beginnings, we've evolved to become a leading health and wellbeing provider.

We encourage positive changes in the wellbeing of our customers and the wider population across the UK. Together, we can help everyone to live healthier lives through better choices, ongoing support and a more proactive approach to healthcare.

Through our charitable donations, we support the NHS and medically related charities to help our customers and the community to lead healthier lives.

Getting started

Take a look through your handy little guide, which provides everything you need to help you get the most from your cover. If you have any questions at all, just give our friendly UK based Customer Care Team a call on **0114 250 2000**.

Don't forget to read the full Terms and Conditions at the back of this guide.

A century on and we still have the same beliefs, vision and values we've always had – to support you throughout your life with innovative, best in class health cover.

Introducing your cover

Congratulations. Like thousands of others, you're about to discover why so many of our customers are happy with their cover.

Taking better care of you.

No one knows what's around the corner where our health is concerned. With your cover, you can be sure that we will work harder on your behalf to help you pay for those essential health bills.

Money back and cash payouts.

We aim to ensure that as many of your health costs are covered as possible. From dental appointments to optical check ups, therapy treatments and more, you can rest assured that your cover will help with your bills.

You can claim back a percentage reimbursement and, in some cases, 100% of the money you spend straight away, up to the maximum allowance provided by your cover. You can also receive fixed cash payouts for hospital stays and day surgery. And you will also receive a sum of money if you have a baby or adopt a child.

Diagnosis and peace of mind.

We want you to stay at your fit and healthy best and, to help you do that, we've included all kinds of additional benefits. As well as providing cash towards diagnostic consultations, your cover includes a 24 hour DoctorLine service, because we know that illness doesn't just strike during surgery hours.

Customer Testimonial

"I've been through a lot medically, but having my Westfield cover to help has been fantastic. From getting quick access to consultations to receiving payment after my operation, the cover played a big part in my treatment and rehabilitation. From run of the mill things like eye checks and visits to the dentist, to more serious issues, I have always had excellent service."

Caring for your loved ones.

We're here to help people be healthy and independent for as long as possible, so it's reassuring to know that our eldercare advice and support services can help you make informed choices about putting care in place for a loved one or yourself. There's also a Care After Hospital benefit, giving you the reassurance of up to 18 hours of home care following an overnight stay in hospital.

Health and wellbeing.

Your cover has been designed to help keep you in the best possible shape, physically and mentally. So our 24 Hour Advice and Information Line is a reassuring aspect of your cover as it gives you help, support and advice by phone – day or night. Your cover also includes Gym Discounts providing discounted membership at local gyms, so you can actively start improving your health right away.

Personal Accident cover too.

You have cover in place to help you and your family if the worst should happen. Levels 3, 4 and 5 provide cash payouts in the event of death or permanent disability as a result of an accident.

Working harder for you.

As you start to use your health cover, the advantages really add up. It works harder for you by providing excellent cash payouts and money back for treatment – and this is just part of your cover. It also provides access to valuable services to help keep you at your fit and healthy best.

DoctorLine.

From anywhere in the world, 24 hours a day, you can pick up the phone and arrange a call back from a practising UK GP, to discuss any health issues and receive advice or a diagnosis. You can even choose to have a webcam consultation so you can see and speak to a doctor while you're at home or at work. It's the closest thing to a surgery appointment, but without the wait. Over 70% of DoctorLine consultations result in the patient being recommended a course of action, without the need for referral to another medical professional.

If the doctor believes that your treatment requires medication, they can offer you a private prescription. You can choose for the medicine to be sent directly to you at an address of your choice or a local pharmacy, or you could be sent a digitally secure electronic prescription to show at a nominated local pharmacy.

Prescriptions can be raised for one-off occasions such as prescription-only painkillers/inflammatory drugs, digestive medication, or NHS prescription medication where the patient is away from home and has forgotten or has insufficient prescription medication, antibiotics or hormonal medication.

Telephone Care Advisory Services.

It's often emotional and unsettling when making the decision to find care for elderly relatives or even yourself. You need to feel confident that they're comfortable and well cared for. Our service provides expert advice and support to help you resolve your care issues.

Our care advisors will listen carefully to your needs and wishes and discuss your situation in detail. They'll guide and support you through your next steps, providing you with the information and advice to help you make the best possible care decisions.

24 Hour Advice and Information Line.

It's good to talk. Whatever the issue, support and advice is just a phone call away. This freephone telephone service gives you and your resident family access to confidential guidance on medical, legal or domestic issues from experienced counsellors, lawyers and medical advisors. From stress, bereavement or relationship advice to health and money worries, you'll be able to talk to a qualified counsellor any time day or night.

You also have access to an app and wellbeing portal; an online dedicated resource, designed to support your health and wellbeing. It provides you with confidential access to wellbeing fact sheets, videos, self-help programmes, interactive tools and educational resources to help with life's challenges.

For details on how to access your services, see page 17.

Westfield Rewards.

Helping your money go further. You have access to our exclusive rewards website.

It provides access to special offers on all your favourite goods and services from hundreds of leading online and high street retailers. Make use of discount codes or purchase reloadable cards. The savings are often on top of sale prices, money off vouchers and online promotions, so their money goes even further. It's retail therapy at its best.

Pick up exclusive discounts by purchasing reloadable cards for high street stores and supermarkets or receive Cashback from participating retailers by connecting to them online via the Westfield Rewards website.

Instant vouchers are a quick and easy way to save. Order the amount you want and then download the voucher from your account to use in store or online for an instant discount. Instant vouchers can be downloaded to the SmartSpending app whilst in a shop.

Your cover: a few useful pointers

Here's a little helpful guidance to help you make the most of your cover. Please feel free to contact us if there's anything else you need to know.

Making the most of your benefit periods.

Every benefit has its own benefit period.

The majority of your money back benefit allowances have a one year benefit period. Each benefit period will be activated when you submit your first claim, and will start from the date you paid your practitioner.

For Hospital Benefit your benefit period begins on the first day or night that we pay benefit for.

For Care After Hospital your benefit period begins on the first day we pay benefit for.

For Maternity/Paternity/Adoption, your benefit period begins on the date of birth or the date the child is placed with you for adoption.

You can keep sending in claims for a benefit until you reach your maximum allowance, or your benefit period expires. When your benefit period expires, the full allowance will renew, but your next benefit period will not be activated until you submit your next claim.

Example:

If the first claim you make on your Dental benefit has a receipt date of the 6th April 2022 your Dental benefit period activates on this date, giving you one year to use your Dental allowance, before it expires on the 5th April 2023. Once your benefit period expires your next Dental benefit period will not be activated until you submit your next Dental receipt.

Please refer to our [Terms and Conditions](#) for full details.

You have 26 weeks to make a claim.

Please submit your claim within 26 weeks. Those 26 weeks start from the date you make each payment for treatment, goods or services, the date you were discharged as an in-patient, or the date you attended for day surgery. In the case of the Maternity/Paternity/Adoption Benefit, it is 26 weeks from the date of birth or adoption placement.

Full details can be found in the [Terms and Conditions at the back of this guide](#).

How do I access Care After Hospital?

Care After Hospital is not a cash benefit: you must follow these simple steps so that the care advisory team can find the Home Care for you.

Step 1

Ring the care advisory helpline. **You'll** need **your** Westfield Health policy number. The care advisory team will explain how the service works. The care advisory team will verify **your** entitlement with Westfield Health before arranging care.

Step 2

Before they can arrange a **Home Care** package the care advisory team will discuss **your**, or (with their permission) **your partner's** or **your parent's** needs with **you**. Our **Home Care** package is not intended to replace any discharge arrangements such as Intermediate Care made by the **Hospital**, NHS community team, or Local Authority, but to complement them. Our care advisory

team will provide advice about your statutory entitlements and carry out rapid research into appropriate care providers, and provide a written report for you to make the final choice.

Step 3

The care provider that **you** select will visit **you**, or **your partner** or **parent**, to agree a package of care with **you** and carry out an assessment.

Step 4

You will advise the care advisory team of the agreed **Home Care** to be delivered, the commencement date, and home visit timings. The care advisory team will confirm this with the care provider.

Step 5

The care advisory team will pay the care provider for the first 18 hours of **Home Care**, at the money back rate that applies to **your** level of cover. If your cover level means you are liable for part of the cost, then the care provider will invoice **you** direct for this part. Let the care advisory team know if **you**, or **your partner** or **parent**, need any further help.

Webcam appointments are available between 8am-10pm UK time; 7 days

a week, except on Christmas Day. All consultations are confidential but calls and any visual images will be recorded for your protection.

Please have the Westfield Health policy number ready when you call to arrange a telephone or webcam consultation or when using the app.

Our DoctorLine service is provided by an experienced external provider. DoctorLine is a registered trademark of Westfield Health.

You and your partner can call DoctorLine from anywhere in the world, 24/7. An experienced healthcare operator will take your details and arrange a call back with a **GP** at a time that suits you. During surgery hours you can choose to have a virtual consultation, if you've access to a webcam and broadband. **You and your partner** can call on behalf of **dependent children** under the age of 18.

It's reassuring to know that your consultation will be with a qualified practising **GP**, who'll give you advice and in most cases a diagnosis. You can discuss anything that you'd usually ask your own **GP** about, from common ailments to sensitive or confidential concerns. You might want to talk about travel inoculations, side effects from your medication, or a health story you've seen in the news. DoctorLine is the closest thing to a surgery appointment, but without the wait.

If you need to consult with a medical professional regarding a long-term medical condition including managing your symptoms and medication, then you have the option to speak to an experienced Clinical Pharmacist. They can support you with a wide range of medication queries including:

- Reviewing your medication if you have multiple prescriptions; you may have been given new medications separately and require an expert Clinical Pharmacist to ensure your medications are working effectively
- Reassuring you that you are taking your medication correctly
- Side effects from existing medication
- Over the counter medication that works with your existing medication
- Alternative medication options

Private Prescription service

If the DoctorLine **GP** thinks that prescription medicine would be appropriate, you may choose from the following options:

- The DoctorLine **GP** may offer

to send a private prescription electronically to a registered online pharmacy service from where the medication will be sent directly to you. When the prescription is issued before 4pm during weekdays, it is usually delivered the next working day. They will not charge you for processing your prescription, but you will be charged for the cost of the medication and delivery. The online pharmacy service will call you to take your payment by credit card or debit card. Simply confirm your payment details and delivery address and they'll arrange delivery of the medication to your home or place of work

- You can also collect your medication from a nominated local pharmacy. The DoctorLine **GP** will send your prescription directly to the pharmacy and you will be contacted when your medication is ready to be collected
- You may be offered a digitally secure electronic prescription to present at a nominated local pharmacy. An email will be sent to you with your prescription and instructions on how to collect your medication. You must present this to your nominated pharmacy at collection. This service is unable to prescribe any controlled medications outside of the **UK** electronically

When will my personal accident cover start?

Your personal accident cover always starts on the date **we** receive the application for **your** cover. This is regardless of **your plan's registration date**.

We won't pay any benefit if the **time of the accident** was before **we** received **your** application for a policy.

If **your plan** level changes **your** level of personal accident cover changes on the date that **we** receive the application, not on the **registration date** for **your new plan** level.

When will my personal accident cover end?

Your personal accident cover will end on the date that **your plan** cover finishes.

How do I make a claim?

We understand that it's likely to be a difficult time if **you've** had an **accident**. **You**, or someone acting on **your** behalf, should contact the Westfield Health Customer Care Team within 60 days or as soon as reasonably possible after the **accident**. **We'll** send out a personal accident claim form for **you** to fill in and return to **us**. **We'll** then contact **you** to explain what happens next.

If there's any delay in you notifying a claim to **us** it could be detrimental to **us** investigating and assessing the claim: this may impact the claim being paid at all, or the amount of the claim that's paid.

Sometimes it may be necessary to wait up to 24 months to establish the full extent of **your** injury and whether a **permanent total disablement** or **permanent disability** claim is payable. **We** cannot carry out a medical assessment while **you** are still having treatment for that injury.

Previous claims may be taken into account when **we** assess **your** entitlement to benefit on **your** new policy.

Should **we** cancel your cover **you** will not have any right to make any further claim on the **plan**. In addition, **we** may

also seek to recover any monies from **you** that have been paid to **you** that **you** were not due to under the Terms and Conditions of this **plan**.

If premiums for **your** cover have been paid in advance **we** may refund premiums paid beyond the date for which **you** have had the benefit of cover. However, **we** retain the right to withhold such premiums if **you** owe **us** money.

We will notify **you** in writing **our** reason for cancelling **your** cover and **you** have the right to appeal to **us** through **our** published Complaints Procedure, which is available on request.

If **your** policy is terminated **we** will not accept **you** for cover with **us** again on any plan.

4. Premiums

Premiums are payable by monthly Direct Debit to Westfield Health. When **you** take out a policy, or upgrade **your** cover, **we** will notify **you** when **your** first payment will be collected. To bring **your** premiums up to date, it may be necessary to take payment for 2 or more months' premium at the first collection. **We** will not process any claims until **we** have received a payment that covers the date for which **you** are claiming. For more information please refer to Section 7, How to Claim.

Your policy will lapse if **you** do not keep **your** premiums up to date. If **you** owe more than one month's premium on levels 3, 4 or 5 or three month's premiums on levels 1 or 2 **you** will not be entitled to remain in the **plan**.

You will not be entitled to use any of the services included in the **plan** and **we** will not pay **your** claim if premiums have not been paid to cover the date(s) for which **you** are claiming. If when **we** receive **your** claim **your** premiums are not paid up to date for any reason, **we** will not process **your** claim at that time. If **you** remain in the **plan**, claims will be held until **you** have made a payment that covers the date(s) for which **you** are claiming. If **you** do not continue to pay **your** premiums all benefit under the **plan** will cease on the date that **you** have paid up to.

We will not accept payment for more than 13 months cover in advance.

Premiums include Insurance Premium Tax at the current rate and are subject to review in respect of any changes in taxation.

Where a benefit included in the **plan** is underwritten by another insurer, **our** agency agreements with insurers allow **us** to hold the premiums **you** pay in respect of these elements of the

product as agent of the insurer and therefore payment to **us** means the same as if **you** have paid that insurer direct. This does not affect elements that **we** underwrite.

5. Qualifying Periods

New **policyholders** or those who transfer to a higher level of cover will have to wait the relevant **qualifying period** before they are eligible for most benefits. The **qualifying period** starts from **your** date of **registration**, at that **plan** level. During each **benefit period** **you** can submit more than one claim under each benefit, however **we** will not pay more than the maximum allowance for **your plan** level.

The benefit period that each claim falls into is determined by:

- the date of birth/adoption placement for Maternity/Paternity/Adoption benefit
- for Hospital Benefit the date that you are an **in-patient** or the date that you attend for day surgery
- the date that **home care** was provided for Care After Hospital benefit
- the date of your payment for treatment goods or services

When a **benefit period** ends full benefit will again become available to claim. Any unused benefit will not be carried forward from one **benefit period** to the next. The new period for that benefit will not begin until **you** submit the next claim and will start according to the criteria set out above.

8. How to claim

For **our** fastest service, **you** can submit claims for all benefits on **our** My Westfield mobile app (available on Apple & Android), or online at www.westfieldhealth.com/my-Westfield.

[westfieldhealth.com/my-Westfield](http://www.westfieldhealth.com/my-Westfield). Alternatively, **you** can use a Health Cash Plan claim form, this is available on **your** My Westfield account. The claim form must be signed and dated by the **policyholder**.

We won't pay a claim until you or your dependant has received and paid for the treatment, goods or service.

To be entitled to claim, the premiums for your cover must be paid up to and including:

- the date on which you made each payment for treatment, goods or services
- the nights you were an **in-patient** for Hospital Benefit
- the date you attended for day surgery for Hospital Benefit
- the child's date of birth/adoption placement for Maternity/Paternity/Adoption
- the date that **home care** was provided for Care After Hospital
- the date of **your accident**, for Personal Accident

For all benefits where **you** (or a person covered on **your** policy) have paid for treatment, goods or services **you** must get a full receipt detailing the payment you have made. **You** must send **us** the receipt if **you** are submitting **your** claim on a paper claim form. **We** may ask **you** to send the receipt to **us** within six months if **you** submit a claim online.

The receipt must include:

- the name of the person who has received the treatment, goods or service
- the date and amount of each payment
- the supplier or practitioner's name, address and daytime contact details
- details of the qualifications/professional organisation that the practitioner is registered with/a member of (see Benefit Rule or Definitions section)
- details of the type of treatment/service
- the date that **you** (or a person eligible to claim on **your** policy) received each separate treatment or service
- separately itemised details of any additional sundry items purchased

We do not accept the following:

- invoices without a supporting receipt or credit/debit card receipts without an accompanying itemised receipt
- receipts where only a part payment or deposit* has been

paid, including receipts showing a balance outstanding for payment

- claims for payment(s) made in advance for a course of treatment, a service or goods: except when the receipt also confirms that prior to claiming you have received the treatment, goods or service. The receipt must detail the date(s) you received the treatment, goods or service and we must receive your claim within 26 weeks of the payment date – see below

* The only exception to this is when you provide us with written evidence that you have entered into a payment arrangement/ credit agreement for treatment, goods or services that you have received. The date that you pay the first instalment determines the **benefit period** that your claim falls into and we will pay you up to the benefit balance available on that date ONLY towards the full cost of the treatment, goods or service purchased by the credit agreement.

We do not cover administration/ interest charges. Dental insurance or care scheme premiums/payments are not covered on the plan.

For Maternity/Paternity benefit we need your baby's full birth certificate with your claim. To claim for Adoption you must send us proof of the child's name and age, together with confirmation from an adoption agency of the date that the child was placed with you for adoption.

To claim Hospital Benefit your Westfield Health claim form must be completed, signed and stamped by the hospital/ treatment centre or hospice. We do not accept photocopies of completed claim forms.

We will not pay your claim unless it is received within 26 weeks of the following:

- the date that you tender each payment (i.e. cash; credit/debit card; cheque) to the practitioner/ supplier for treatment, goods or services
- the date on which you were discharged as an in-patient for Hospital Benefit
- the date of each attendance for Day Surgery for Hospital Benefit
- the child's date of birth; the date a child is placed with you for adoption
- the date that home care was provided for Care After Hospital

It is your responsibility to ensure that you allow sufficient time for the claim to reach us within the 26 weeks

deadline. We will not accept any responsibility for claims (or supporting evidence) lost, delayed or damaged in the post.

If you can claim part or all of your costs under another Westfield Health plan, or from any other source, you are not entitled to receive more than the total amount that you have paid. If you are claiming from another insurer we will pay our proportionate share of the cost, subject to benefit being available and the terms and conditions of your plan.

You should only submit a claim if the person who has received the treatment, goods or service is eligible to claim under that specific benefit. If the claim is for your partner or dependent child we may require proof of your relationship with them. It is your responsibility to provide complete and accurate information with the claim.

When you submit a claim, for audit purposes we will carry out checks on the information you and practitioners provide to us and we will not process that claim, or any further claims on your policy, until we have successfully completed our audit checks. If we make a reasonable request for additional information, this must be provided at your own expense.

In order for us to verify a claim it may be necessary for us to request a medical report from your GP, Consultant Physician or Consultant Surgeon at any time. We will only request a report when it is reasonably necessary in accordance with the Access to Medical Reports Act 1988 and Personal Files and Medical Reports (Northern Ireland) Order 1991, if a medical report is required we will write to you first to tell you why. If you, or where applicable another person covered on your policy, do not give us your consent we will withhold payment of all claims and may terminate your policy.

Pre-existing medical conditions are not covered on the plan for some benefits. When a claim is submitted we will check if there is a **pre-existing medical condition**. If we discover that we have paid any claims relating to a **pre-existing medical condition** we will seek to recover any monies from you that have been paid to you that you were not due to under the terms and conditions of the plan. We may terminate your policy and we may seek to recover from you any costs we have incurred.

If you are providing information about another person you should ensure that you have their consent to do so.

If you submit a claim that is false we will terminate your policy and your

benefits as a policyholder will end immediately. We will not refund premiums paid for the plan and always take legal action for fraudulent claims.

How do we check claims and prevent fraud?

We check all claims. We may need to ask you for further proof before we can process a claim; you must provide this at your own expense. We may also contact the practitioner for verification. If the claim is for your dependant we may ask you for proof of your relationship with them. While we're waiting for information we won't pay any claims on your policy. We do these routine checks to make sure that we're paying claims correctly; it doesn't mean that we think you're being dishonest.

It's your responsibility to make sure that all the information that you give us with a claim is truthful and complete. We take fraud prevention very seriously. False claims can cause premiums to go up. To protect our honest customers, we've many systems and procedures that detect false claims. We also share information with other insurance companies, fraud prevention agencies, the police and other enforcement agencies.

You must always act honestly. For example you, or anyone covered on your policy, must not:

- Alter or forge a receipt/claim form.
- Send us any evidence with a claim that you know is misleading or untrue.
- Give dishonest answers to our questions.
- Refuse to give us any information that we need, or withdraw a claim to avoid investigation.
- Refuse permission for us to contact a healthcare provider.
- Deliberately claim for anything, or anyone, that's not covered.
- Claim reimbursement from more than one policy with the intention of getting back more than you've paid out (this is called **betterment**).
- Fail to tell us if the claim could be covered on another policy.
- Claim for a **pre-existing medical condition** that isn't covered on your policy, or a medical condition that you should've told us about when you made a claim.

If we reasonably believe that a claim is false or fraudulent, even if we haven't proved that you've acted dishonestly, we won't pay that claim. We may terminate your policy and all your benefits will stop immediately. We

won't refund any premiums for a terminated policy. **We'll** charge **you** any other costs that **we've** incurred.

Insurance fraud is a criminal offence. **We** always pass details of suspected fraudulent claims to the police or Crown Prosecution Service for them to investigate and prosecute through the criminal courts. Anyone convicted of fraud may have to declare it when they apply for any type of insurance in the future.

How we pay you

We will pay **you** claims directly into **your** bank/building society account and send **you** a remittance advice as confirmation.

24 Hour Advice and Information Line; Care After Hospital; DoctorLine; Gym Discounts; Telephone Care Advisory Services; Westfield Rewards

How to claim Personal Accident

Once a claim has been submitted by **you** **we** will contact **you** to explain what happens next. Any medical examination required by **us** to verify the claim will be at **our** expense. Any receipt which **you** or anyone acting on **your** behalf may give to **us** for benefits payable shall be deemed a final and complete discharge of all liability in respect of such benefit.

9. Worldwide cover

When **you** submit a receipt for money that **you** have paid, **we** will use the currency exchange sell rate, supplied by **our** bank, on the date **we** process the claim.

If **we** request it, **you** must provide **us** with evidence of **your** travel dates, these must be for a period of less than 28 days. All documentation supporting **your** claim should be in English. Entirely at **our** discretion **we** may agree to accept an English translation accompanying the original documents, when **you** have provided this at **your** own expense.

What benefits are covered (if included on **your** policy)

- Dental Accident
- Emergency Dental treatment
- Optical – replacement eyewear (glasses or contact lenses)
- Emergency admissions for Inpatient or Day Surgery
